## Message from the Principal

*“We want education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet.”*

*-- Swami Vivekananda*

Dear Students, Staff, Parents, Alumni/ae and Well Wishers, greetings from Kalipada Ghosh Tarai Mahavidyalaya!

Kalipada Ghosh Tarai Mahavidyalaya founded in 1988 continues to serve young boys and girls who pursue higher education under its aegis. A college offering B.A, B.Sc. and B. Com. Courses dreams of academic expansion which goes hand in hand with making the campus more aesthetic and eco-friendly. It is acknowledged that a nation aiming to become economically advanced or aiming to build a strong knowledge society cannot overlook the decisive role of Higher Education. A serious problem in the higher education system is a very high degree of inequity between different social groups, between men and women, between rural and urban areas and between the rich and the poor. KGTM situated in a rural area, in the district of Darjeeling primarily serve the children of Tea Garden workers and humbly aims to create an atmosphere to fulfil students' aspirations, build their self-esteem and develop their personality. We believe in the capacity of every student to grow and excel in his/ her field as everyone is gifted with different talents and infinite potentials. We have a dedicated team of faculty, striving hand to provide the students with the latest knowledge and skills that would help them to cope with the demands of the society. Our campus is vibrant with energy and enthusiasm and activity. Wholesome participation is encouraged in sports, cultural events and many other co-curricular activities. Care is also taken to ensure the well-being and happiness of each and every student in the college.

We look forward to the new batches of students becoming part of our Mahavidyalaya family keeping alive it's best traditions while perfecting their individual talents and most importantly emerging as responsible, compassionate human beings.
